ASSEMBLY

ASSEMBLY

Use black yarn to hook the corners of two granny square.

Join the granny squares working in SC in each stitch.

Hook the next two granny square in their corners.

Join the granny squares with 1 SC.

Work in SC until the end of the all granny squares (vertically).

At the end of the row, work 2 CH. Cut the thread. Repeat for each row.

ASSEMBLY

Use black yarn to hook the corners of two granny square.

Join the granny squares working in SC in each stitch.

Work 1 SC in the vertical line.

Work in SC until the end of the all granny squares (horizontally).

At the end of the row, work 2 CH. Cut the thread. Repeat for each row.

Granny Squares joined.

ASSEMBLY

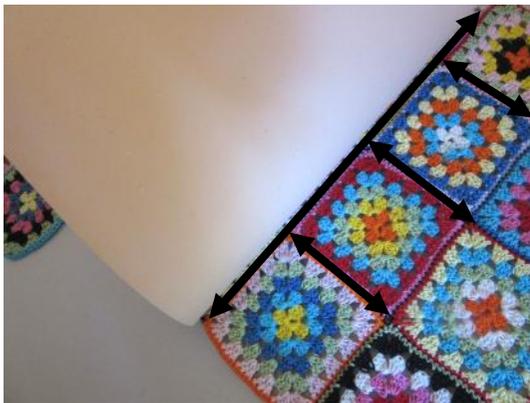

Cut out two panels of eva rubber with the same dimensions of front and back panel of the bag.

Bag interior: apply hot glue on the horizontal line (see arrow), starting from the base.

Apply the hot glue on the vertical lines (see arrows).

Paste the sheet and repeat the procedure on the whole panel.

Glue both panels to the bag.
Cut out the eva rubber with the same dimensions of the base.

Apply hot glue on the vertical lines (see previous photo).
Glue the panel to the base of the bag.

ASSEMBLY

On the edge of back panel,
using black yarn, work:
*2 SC, skip 1 stitch, 4 DC in the same
stitch, skip 1 stitch *. Repeat **.

At the end of the row,
hook the corner of the side panel
and join to the back panel.

Work in single crochet.

Work in SC up to the base.

Join the side panel at the base
working in SC.

Lock with 2 chains,
cut and hide the thread inside.

ASSEMBLY

On the edge of frontal panel,
using black yarn, work:
*2 SC, skip 1 stitch, 4 DC in the same
stitch, skip 1 stitch *. Repeat **.

At the end of the row,
hook the corner of the side panel
and join to the back panel.

Work in single crochet.

Inside of the bag.

Front of the bag.

Side of the bag.

ASSEMBLY

LINING MEASURES
Measure of front panel
+ side panel depth
+ 2 cm.

Measure hight of front panel
+ base + back panel + 2 cm.

Cut out the fabric
with measurements
previously detected.

Fold the fabric in half and sew
the sides, 1 cm from the edge.

Fold the corners
of fabric at the base.

Sew.

ASSEMBLY

POCKET

Work 2 granny squares number 45.

Join the granny squares
in the center
crocheting in single crochet.

Working in single crochet
around the granny square.

On the long side of the pocket, work:
* 2 SC, skip 1 stitch, 4 DC in the same
stitch, skip 1 stitch *. Repeat **.

Continue to work in single crochet around
the granny square. Cut out the lining
in the same size of pocket.

Sew or glue the fabric to the pocket.

ASSEMBLY

Sew the pocket at the center and in the right side of the lining. Turn the fabric inside out.

Place the lining inside the bag and sew along the edge.

Cut and sew strips of fabric. Insert them inside the handles.

Place the handles in correspondence of black vertical lines.

Sew the handles inside the bag.

Bag completed.
